THE MODEL SCHOOL.

THE model school will consist of the kindergarten, first, fifth, and seventh grades. It opens July 6 and continues three weeks, with a daily two-hour session, closing July 24.

The aim of the work is to make the model school representative of the regular work done in the grades during the year. The shortened session makes it impossible to represent all the subjects taught in each grade, and for that reason representative subjects have been distributed through the three grades.
